Brittany I will never forget the time when your mom thought something was wrong with you, so we took you to the hospital, just to find out that she was feeding you to much. I still can't believe that you are gone, I think about you every day. Your beautiful smile, your sweet laugh, and how kind you were to everyone. You may be gone but you will NEVER be forgotten.

Beloved Brittany, you were such a delightful little girl, full of laughter and good humor, never, ever pouty, demanding, or difficult. I never heard you cry. You were such a jolly companion to your father and a perfect friend for D.J. Now you are gone...to join your grandfather who loved you very very much. Mary Kay
