Dear Grandma, Thank-you for being you. I will miss you, all of us will. I may not have called all the time but that wasn't because I didn't think of you. It's because you were an early bird and I'm a night owl and I didn't think you'd like a midnight phone call. I appreciate your love and support for your family from your husband to your children, to your in-laws and extended family, to your grandchildren and your great-grandchildren. Thank you for the strong foundation that you have given all of us. May you rest in peace with Grandpa and Aunt Lynn. I Love You, Grandma, Kristie.
