Yesterday was the last chapter in my son's (Robert Chancey) earthly life. A memorial was held for him and we appreciate all the prayers, cards, flowers, thoughts and participation in the memorial. We shared the good things of his life, from everyone's perspective. I wish to thank Bob's employer (HPS) and Florida Blue for sharing stories of their admiration for him. I wish to thank all the friends and acquaintances in attendance (so many to remember) for their thoughts of kindness. I wish to thank all of my Facebook family for their prayers and support over the past couple of weeks. I especially want to thank GOD for my son and the family he left. God Bless to all. Ron Chancey

Bob, where do I begin? We have shared so many memories over the 34 years of friendship. Oh how you would drive me and Jeanelle crazy when you were little, all you wanted to do was to hang out with us. I always gave in, you were my little brother. One of my oldest memories, when we were banned to watch MTV at your house. So while your mom would sleep and Granny was taking care of the house you would sneak and record it for us. Your mom nor Granny would have ever thought little innocent Bobby would do such a thing, now they do. As you became a pre teen, you really wanted to hang out with us. So we started to take you along with us to concerts, Vanilla Ice, Def Leppard, and Bon Jovi. As you became an teenager a lot changed with you. I am glad I was able to experience everything I did with you, the good and the bad. I thank you for introducing me to my best friend and husband, if it had not been for you I would have never met the love of my life or have my beautiful children who love you so much. I could write a very good book on our experiences. I am so proud of the man you grew up to be, an outstanding father, husband, son, uncle, brother and BEST FRIEND! I am sorry for the pain you went through. I miss and love you so much my dear friend, until we meet again R.I.P. You will forever be in my heart. Love always, Kim Bower

Never had the privilege of meeting Bob, but know him as part of God's family. His Dad and I have laughed and cried together during the ups and downs of life. This is one of the very sad times. We join in the celebration of Bob's life today sending our love and thoughts to all his family and friends. The clouds will pass, the sun will shine again. God bless everyone. Bob, our Son, you will be dearly missed. We love you so much. Even though I was just a Step mom you were my Son also. You were so intelligent, a special gift you had. You have such a beautiful family. Thank you for being the Best Man at my wedding. Thank you for helping my Dad get dress & telling him he didn't have to wear that tie. Thank you for walking with my Sister with her two left shoes that I bought. You told her I will hold you up we got this. The yard of beer you drank & then switched your empty glass with your Dad while he wasn't looking. So funny. Walking down the street's of Gatlinburg, Tennessee, and saying we are going to get arrested. We said no you are. You kept going into different shops we had to find you. Finally we got you back to the room. Wonderful time. Your Stepsister said she would never ride with you again after running over the curb so many times. That was a wonderful day that I will never forget. Thank you Bob. I'm so sorry you hurt so bad but no more pain know. You are another beautiful Angel that God has in his arms. Will see you someday Bob, Mom loves you...R.I.P. OUR SON....??
