Arabella, I remember when we found out we were pregnant with you we were so happy. I couldn't wait to meet you and love you for the rest of my life. I remember the first time I heard your heartbeat, and the first time I felt your kicks, your daddy and I called you wiggle worm because you moved so much. The pain of losing you is indescribable, your Daddy and I love you very much, and will be with you again some day. "Your my angel, my darling, my star, and my love will find you wherever you are."
