Dave had more enthusiasm for hard work than anyone I've ever worked with. I recall vividly one instance when I was filling in for his Executive Assistant when she was out. I was in the coffee bar next to Dave's office when he popped in. It was Friday and I said to Dave, "I'm SO glad it's Friday. Aren't you? To which he very adamantly replied, "NO!! I wish it were Monday!!" That's how much he loved what he was doing. --Helen Grimes

Dave was such a strong and dynamic leader of Chemical Lime Company. I appreciated his drive, energy, and how he could persuade others to work harder and smarter. He was kind to me and I'll forever be grateful for having known him. I pray peace over his family and friends. God speed, Dave... - Tracy Mikus
