Wayne and my dad Harold stopped by my house to say hello to me and my wife within minutes Wayne got on the phone and called his son Billy, Hey Billy he says Guess where I am at...LOL how would Billy even have a clue of where he was at. But that was a Wayne and Harold thing to do, after a hour or so they decided to leave and walking out Wayne started walking to my dads car where he began to say Edward, Edward I can't see can you help me..I walked over and helped him to the car he said before getting in Damm AM I old..LOL After they left my wife asked how in the world could that big man walk on those skinny legs well he had been doing it since I knew him so just fine I guess.They one thing that struck me is the way he called my name it seemed to be the same way he called my name when I was a small kid it was never Ed or Eddie it was always Edward, and it always made me feel like he cared, I know it may sound silly but it was always warm and friendly.Even as I sit here typing this out a can here him call my name Edward,He will be missed by me and those how knew him here In Racine.Edward Orth
