Troy and I worked together at United Tool & Fastener for a short time. he was also our sales rep for Rectorseal. Troy was such a sweet guy... HE loved his family with all his heart especially his son... we worked together handing out bikes for Toys for Tots a few years ago. The last time I saw him he came to our office. He told me he has fought really hard but that his cancer was terminal... all he wanted was to be here long enough to see his son graduate... My thoughts and prayers go out to his son.. HE LOVED YOU SO MUCH and was SO PROUD..Rest easy now my friend, you fought a good long battle. Laurie Chin

Cindy, Brenda, Nathan and family, Our hearts are just broken over the loss of Troy. He fought this battle so long and so hard. I have never before known anyone with such strength, love and support. Troy touched the hearts and lives of everyone he knew through his work and friendship. He was a great son, brother, husband and father. We will miss his laughter and smile. Our thoughts and prayers are with each of you and are here if you need anything. Much love, Mandy, Mike, Kristin, Megan & Austin
