I hope it's not too late. I'm sorry, I only found out that Grace passed away. I first met Grace at Kindred Hospital where I was working. I left that job in 2006. She was the last RN I have made an endorsement as our usual work routine, I was the outgoing day shift RN, she was the night shift RN. GRACE, was the sweetest nurse I have ever met as a nurse in my whole life. She will be one sweetest angel of God in heaven. I hope to see you again someday. To the family of Grace, I offer my deepest condolences. I hope that my message will be a great comfort to your family? By the way, my name is Mercedita Mendoza. I also live in Florida, USA.
