My father, George Hernandez, worked with Ed many years ago. We heard many funny stories throughout the years about these crazy guys at work. Last time I was there at The House of Delmage, my sister and I were around that area and decided to stop in and look at the place she (Helen) and my father (George) worked at. It happened that Ed was in the building and graciously let us tour the place. My sister and Ed talked about old times and he showed her an album of pictures of events that happened within that company. We left there with great memories. Thank you Ed ----and our deepest synpathy are with you and your family Mrs Martha Hernandez, Reyes Mrs. Helen Hernandez, Ryals

The Dawson cousins in Michigan share so many wonderful memories of our 'fun' cousin, Ed. We'll treasure our times together, boat rides, motorcycle adventures, and even taking Carol for a ride in the 'vette and letting her drive. Big moment in her life. Our prayers to Pam, Mary Jean and Louise. Your loss is shared by all of us. God Bless.
