32 years ago she bought me into her kitchen in Brooklyn and showed me the magic of her pasta sauce made from scratch of course with ground beef and whole boiled eggs thrown in. Then she just kept feeding me, LOL! Her cooking, her advice, her realness... she just told it like it was -but in an impressively loving way. She raised 5 kids and made it look seamless. I truly cherished my time with the Pagan family. I am wishing you all peace, comfort and sending lots of love to you all.
