Janet Miller Middleton posted:

Dear Henderson family. Jackie and I became friends in Kindergarten when our mothers carpooled to get us to school when there was no bus service. We double dated a couple of times. She and her mother gave me a baby shower for my only child when I was only 16. We were friends and used to get together when our babies were small. I lost track of Jackie when your family moved away from Raytown many years ago. Jackie was a beautiful lady and a wonderful friend to me. She loved her family more than anything. I was heartbroken to learn of her passing. Please accept my most sincere condolences and know that she left footprints as a dear friend on my heart. I feel so blessed that we were finally able to reconnect only last July 2018. I have wonderful memories to cherish of Jackie. May God bless all of you. Janet Miller Middleton
