We had the honor and pleasure of providing home health care services to Herb, and Herb quickly became like family to us all. A memory that will last with me forever, was when Herb had returned home after a brief hospital stay, and I had surprised him with a Dutch apple pie and coffee ice cream, his favorites. Seeing his eyes light up at a 6 year old at Christmas who had just got the best toy ever, was priceless, and is embed into my heart. Our aides and myself will miss him dearly, and we send our condolences and prayers to all.

I would like to extend condolences to Herb's remaining friends and family. Herb and Mary were great friends of ours in Kansas and we had great fun visiting each other even after retirement in Florida and Georgia. They taught me a lot about Michigan. Herb will be missed just as we have been missing Mary for years. Great memories to rely on!
