Dolores K. Krukowski

MAR 13, 1933 - JAN 9, 2021

Krukowski, Dolores was born on 3/13/1933 Brooklyn NY. She passed away peacefully, at home on Saturday, January 9, 2021. Daughter of Charles and Doris Coopey. She was raised in the Bay Ridge Section of Brooklyn and worked for the Phone Company. Dolores met the love of her life Robert. They married and raised their loving son Glenn in Spring Valley, NY. They then moved to the Raintree Community in Freehold, NJ. Dolores was elected President of the Community and enjoyed working to improve Raintree for all the residents. She was also very active in supporting the Deborah Hospital Foundation where she received many recognitions and awards.

Dolores and Bob always enjoyed golf and bowling and were excited to retire to the Timber Greens Community in New Port Richey, FL. As in their former community, Dolores enjoyed many great friendships and attended many social events and cruises. Dolores always looked forward to her weekly Mahjong game. She also loved her extended family and friends, helping and providing support to them and organizations like Helping Hands and holiday gifting for children.

She was predeceased by her loving husband Bob. She leaves behind her beloved son Glenn, who supported and gave loving care to her in her final weeks of life. She is in peace now and will always be in our hearts. Reunited in heaven with her husband and parents.

Bob would call her his angel, now she is our angel.

A Celebration of Life in the future is pending per covid.

I was so very blessed and fortunate to have so many special memories of you and Uncle Bob, between holidays together with all of the family, watching you dance with my mother and Aunt Janet at Cocoo's nest. Vacations in wildwood Crest, to visits in Florida and visits you made to us. My last and very memorable time spent with her I will treasure the rest of my life, on the cruise. I remember looking over at her from my bed and asked why she was sleeping sitting up, and she replied, "I have to sleep this this way, so I don't mess up my hair." Dolores lived a very full life, and made the most of every minute. She has made a difference in not only our lives but also in the people around her and those she might not have known.

There are so many cherished memories to share, but one of my best memories is when my parents were at the hospital when Kaylee was born and you stayed home with Courtney Evan and I to watch us. You let me do your hair and makeup however I wanted, you didn't care how it came out. We have pictures to prove it! I'll miss visiting you and Uncle Bob in Florida, you were always so much fun to be around and always knew how to make me laugh and lighten up the day. I miss you so much! You're now with uncle Bob again. Love you always and forever!!
