Barry was the kind of person people loved to be around. He was fun loving and kind. My entire family knew him at various times in his life. My son in law from when they worked at Kash n Karry, my son from Frito Lay and myself from times he visited the office where his wife worked. He will be missed by everyone that knew him. Our hearts are saddened and we send our condolences and love to his family.the Brush, Wildasin and LaRosa families

Sending my condolences to the Ford family. This breaks my heart Barry was like a brother to me. It breaks my heart to see him gone. I remember mowing the lawn with him and just chilling out in the front smoking a cigar. Or just eating at the all you can eat restaurant challenging each other to see who can eat the most I won of course. He is kind hearted and willing to lend a hand to anybody who needed it he will be missed but never forgotten love you guys. God has gained another soldier. Please contact me if you need anything. Love you guys.
