I am a better person for having known my grandpa. His welcoming and warm presence, his kind heart, and the love he had for his family are all things I will miss. I have a lot of memories close to my heart, and I'm thankful to my family that has cared and loved him while I've been so far removed in Vermont.

Bob was a new grandparent figure to me, when I was a teenager. For some reason I felt an instant connection with him from the moment I met him. He made me feel like one of his own. He was always kind, loving and funny. One of my fondest memories was my first trip to Florida to meet the rest of the family he gave Carly and I his credit card and told us to go get our nails done together. I had a great time and I felt so welcomed. When we returned he told me that I looked like a "true Floridian girl", which made me smile. I'm hoping, my teenage self, thanked Bob for that fun day because it meant so much to me. We will miss you Bob. Rest In Peace ❤️

Many years ago, over 40 I think, at the Causeway Inn we met you and Bob along with Rick, Georgette, Rich and Chari. We became friends and shared many trips and happy moments together from Florida Keys to Christmas Eve at your home with your Mom and family. They were wonderful times and we were so lucky to have them and to be able to share so much of your family's love. You have a lovely and caring family and Bob was a Giant amongst them. Everyone enjoyed being around Bob because he was fun and he was greatly respected. So many memories gathered over the years and we treasure every single one of them. One day we will be allowed to fly to USA again but until then we send you all our love and want you to know that all of you are in our thoughts and prayers. Much love from afar. Tim & Sue

Dear Maryjane, it certainly is with great sadness that both Loretta and I express our heartfelt sense of loss over the passing of Bob. When Loretta and I moved into the community some eighteen years ago, our first doorbell ring was that of Bob. He invited me to play golf with some of the fellows on Ashbourne and a lasting friendship began. He will always be remembered as the fellow who holds the record for the most rounds of golf played at Heritage Springs in a single season. Without a doubt he will certainly be missed.

MaryJane, Sharon and family, My heart grieves with and for you. I only remember seeing Bob a few times as we were separated by distance. One time I remember being welcomed to your home there in Florida. I'm so thankful for our heritage and for family who made sure I knew about my extended family. I'm so sad for you. Please know of my love, support and prayers for you during this difficult time. Carolyn Kennedy
