Nancy Hawkins lit a candle in honor of Michael.

Dr. Adams was my vet! He always made me feel like the most important person in the clinic. He always knew what was wrong without tons of expensive tests! He greeted me with such a positive spirit, every time. It was like a light went on! He had a deep faith and always thanked God for the results. His big hugs always made me feel better. He euthanized many of my babies in the most comfortable way for them. His sedation dentistry was like magic. Nothing i will ever find again. He took care of my dogs and dogs from my rescue group. He was a light in the world. I am so sad to lose him. My deepest sympathies to his wonderful family that he was so proud of.
