David Rieumont

APR 26, 1937 - JUL 30, 2021

Rieumont, David

Passed away on July 30th, 2021 at the age of 84.

Dave was a devoted husband and father. He is survived by his wife Fran.

They were married for 64 years. His children are Dawn, David and Mark (Kerry); and two grandchildren Madison and Max.

In 1992 he and Fran retired and moved from New York to Palm Harbor, FL

Dave was very happy that eventually all of his children and two grandchildren were living nearby in Florida.

One of his most endearing qualities was that he loved being with people and making them laugh. He never forgot a joke! He loved playing golf, word puzzles, enjoyed music and dancing, especially dancing to Latin music with his wife Fran

In earlier times he was a member of the Italian American Club of Clearwater and served as the treasurer and Emcee under three different presidents.

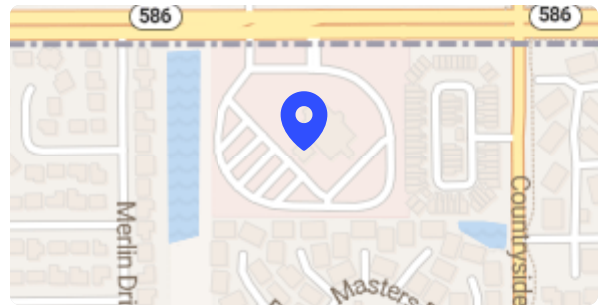

There will be a funeral mass at All Saints Catholic Church in Clearwater on Thursday August 12th at 11am. Following the Mass there will be an internment at Trinity Memorial Gardens in Trinity FL.

In lieu of flowers, please donate to Hospice or a charity of your choice. Mass cards are appreciated.

Dad, No words can explain my sorrow. No picture can express my sadness. No person can understand my loss. Since I was a young child, I always admired you and looked to you for guidance. I didn't need to read about famous figures and deities....i just had to look your way and observe how you lived your life. To me, you were Zeus, Achilles, and Braveheart rolled into one. I look back on my life and my only memories of you bring me happiness. Your passing has been the greatest loss of my life to date and I will honor you by trying to be the same father to my children that you were to me. My only consolation is understanding that you are no longer physically suffering. At the end of the day when the lights are dimmed, the noise is silenced, and I am in solitude.... I will always think of you and cry in silence knowing that I can never hear your voice, listen to you laughter, take advice, express appreciation for your sacrifice, or say " I love you" ever again. You were not a happy old guy that was fun to hang out with. You were an unparalleled father. You were a great man. You were my hero. Mark

Uncle Dave, you were one in a million! You always brought a smile to all who knew you, and even some who didn't! As a child, I have good memories of visiting you in Brooklyn and you walking Linda and I all over to see the Architecture of the buildings. Didn't really know what you were talking about but we loved your stories! Or the time you and Uncle Jim had Linda and I in the car taking us home and you made the car "dance" to "Under the Boardwalk" windows open, singing at the top of our lungs! Stories are many! I recently enjoyed our lunches - looking forward to your humor! You will be so missed! Fly with the Angels, Uncle Dave! Rest In Peace. Til we meet again, Love, Patty...

Fran, Davie, Mark and Dawn; I was heartbroken to hear of cousin Davie's passing. I'm so glad you were able to be with him. To say he will be incredibly missed is an understatement. I remember as we were growing up and as adults, going to family gatherings and how excited I would be when mom told us you all would be there. My heart was always happy when filled with the joy and laughter Davie brought to everyone. His smile lit up the room, his jokes and dancing were always something to look forward to. I'm really going to miss him picking on Rodney. I pray the Lord is holding you all close and you are blessed with God's comfort as we celebrate cousin Davie's life and his homecoming to the Kingdom of God. I know he's surely dancing and smiling, pain free, along with my dearly missed grandma Angie, grandpa Al, sister Angela, brother Christopher, Uncle Nick and Aunt Lilly. Our prayers, love and condolences, Theresa & Brad Whicker

I will truly miss our Tuesday golf outings during the off season. Dave always came prepared with his weekly golf tips. I'm sure that he did this to throw us off so that we wouldn't beat him. As a member of his "harem", I had a different name to record my score, "Miserable Mary Ann!" His tips did not often work with me although I did manage to beat him once! He was going to have the scorecard framed for me! Dave was truly a ray of sunshine. I will miss you but know that you're on my shoulder every Tuesday guiding the club. Love and miss you Mary Ann Valentine

Dad, it was the greatest honor to have you as my father. You and mom have lived your whole life to make the lives of your children better. We always came first over any and everything. You have always made me feel that I was the most important person in the world and how proud you were of me. I have had no greater love then I have had for you and mom. You loved us (Dawn, Mark and Me) since the day we were born with all your being, till the day you took your last breath. I will see you forever in everything I am and everything I have become. Love.
