I cannot believe Charlie is gone. I have known this family for at least 20 years. They have purchased 7 or so trailers from my husband and I. He was always right by Shannon's side with her health concerns and would always call me and tell me all the Dr jargon that I didn't even understand, but I knew that he did and that he loved Shannon so much. I am so sad for Shannon and Taylor and everyone else he left behind. He will truly be missed.
