When visiting my brother, Don was always the one who would host me to play at Saddlebrook. What a nice generous man he was. He had a great sense of humor and it was always a pleasure to be around him. He will be sorely missed. My deepest sympathies to all his family.

I had the pleasure of golfing with Don for the past 20 years. He was a great friend and I was lucky enough to witness 2 of his holes in ones. You are a great guy and will be sorely missed.
