Archie worked for 17 years for the Riverside School District in the custodial department at the Locust Grove Elementary and Riverside High School campuses while simultaneously, driving a school bus for them. In 1979, he accepted employment at the B&W Steel Mill but within 3 years, heavy layoffs forced him to seek employment elsewhere due to the domestic steel industry recession. Memories: Even though Archie only had an 8th grade education, later in his life he graduated with an Associate Arts Degree in Bible from Liberty Home Bible Institute. His life was wrapped around the church. He was the Sunday School Superintendent at Park Gate Baptist Church for many years. He taught Sunday School as well as ministered by playing his guitar and singing. Even in his final years, he continued to minister with Frances to his fellow residents at The Estates.
