Debbie was a great friend to me, when I was struggling with a big life choice I made she encouraged me and her believing in me truly helped me achieve that goal and when I did she helped dress me for my new career. She had great style and I needed that help after wearing scrubs for 15 years. I always enjoyed our chats, working together at SL, she was such a wise woman, I learned a lot from her and I had NO idea she was old enough to be Mom. What a beautiful woman inside & out. I am grateful to have had her as my friend. Prayers to her loved ones for strength & comfort. She will truly be missed. Fly high, until we meet again...

Bob, Kathy & Kelly, I just heard about Debbie and wanted you to know how sorry I am for your loss. Debbie was one of my first friends at Baptist, I remember hanging out with her everyday our Freshman year and being at your home often. I can't believe she is gone and will miss seeing her at our reunions. Fondly, Doreen Morelli Henson
