Jeff came into my life as the sound man for a band I was part in. We played many clubs in the DC area. He was always so supportive and encouraging in pushing me towards higher goals. Roxanne came into my life by coming to work for the company where I worked. We worked together in a department where it was just the two of us and we had a great time! I knew from the beginning she would be the perfect match for Jeff. So I introduced them. The rest is history. Close to 40 years later, four children and beautiful grandchildren they still remained a couple full of life and laughter and fun! I will always remember jeff with fondness, the calm in the midst of storms. A man who loved Roxanne and his family! You will always be in my heart, Jeff. What a wonderful life you had ❤️

Jeff touched the hearts of everyone he ever met. He loved his wife more than one could ever imagine along with his kids and grandkids when they lived in Virginia we could drive by Jeff's house not even telling him we were coming pull up in the driveway and the next thing you know he wants to wash my car how many Andrea pull the hose out and start washing my car the man stopped at nothing to help people and make them feel good he always told my wife Carol he would say a little thing oh Carol oh Carol and we would all just laugh and have a good time we love you Jeff Carolyn Buddy

Growing up, Jeff and I lived close to each other the first 8 years of his life. He used to love coming over and listening to me play my guitar. He was such a gentle soul and I know I will miss him. To Leslie, Roxanne and the rest of the family, I'm so very sorry for your loss. I know it will be felt for a very long time and I'll be praying for God's comfort to surround you.
