Dad ~ I can't believe that we all shared some of our happiest times together and looking forward to sharing some amazing times together in Vegas and now your gone. I have been staying strong for Andy & Kelly but my heart is truly broken. You have always made me feel loved and I will certainly miss walking into the room and not hearing your "hello kiddo". I know you are with mom and are happy. Know that you left a whole in many hearts and I for one am a better person for having you in my life. Until we meet again, watch over all of us and whisper your words of advise when you know we need it. Love you and miss you!
