I met Max at the schools summer program. He was such a cool kid. He has left a wonderful spot in my heart forever. I could not ever forget his smile, either beaming at me on water day, or teasing me about "no throwing water bottle". You will be missed

I knew Maksim through the therapy sessions. He was very kind and bright child, who was smiling every time we met! Such a horrible Loss and tragedy for entire family and community! My deepest condolences! RiP Maksik! You will be greatly missed here, but you are with your mom, who always was and will be with you!

Dima & Irina lit a candle in honor of Maxim.

The most terrible, the most difficult thing is to lose a child. The one you loved, brought up, watched him grow up every day. The one you taught to walk. The one who taught you to really love. This is the worst thing that can ever happen to anyone. Eternal Memory for your son. Just know that he will always be with you in your heart and watching over you all.
