The thing we will remember most about your mom was how welcoming and genuine she was every time we saw her and how she made us feel like we were the most special people in the room. Even if there was a language barrier, we always FELT her love and joyfulness in seeing us as love and joy are universal languages. And let's not forget she made the BEST empanadas! We know Scott is up there feeling all her warmth and kindness in heaven the same as we felt it for many years here on earth. May God continue to give you all peace and comfort in the difficult days ahead. Melanie and Madison

Mom, you were the most wonderful mother to me and grandmother to my kids, and that was one of the things that made me so pleased to know that my loving mother had such an important role in their lives. I'll always cherish and remember all of your countless acts of affection. You were and are my first love forever!
