I went to Dr. Coquelet for many years until he was no longer accepting my insurance. He was the best doctor my husband and I ever had. One Saturday I called because a prescription he ordered was not faxed to my pharmacy. He personally called Publix and ordered it himself while he was out with his son. God had received an Angel!!!

Dr. Coquelet was my partner back in approximately 1998 at Martin Memorial Hospital group. I am very saddened by the news. He was a friend and a colleague and always carried a smile. He had innovative thinking and was a good father. My condolences to all his loved ones. Dr. Jaime R. Gomez

John was a very thorough doctor who took care of our family. Didn't matter what day or time he took it seriously and would always help. Going to miss John.
