We were neighbors at Hanscom AFB. Our first son was born on the Tuesday before Thanksgiving in 1982 and we came home from the hospital on Thanksgiving Day. Judy wouldn't hear of us eating sandwiches for Thanksgiving and insisted that we eat dinner with you and sent us home with food for the next day. That is just one example of the hospitality that we enjoyed at Judy's table. Grant her eternal rest, O Lord, and may light perpetual shine upon her.

Judy was an amazing Girl Scout leader. I loved being her assistant leader and working with her and our girls. The trips she planned that our troop went on were wonderful. She was so full of life and loved her children and grandchildren. She touched so many lives, and made a difference.
