Dear Teresa.What wonderful memories -the dances, the parties, the weekends, the friends. Dancing in Italy, just a few weeks ago, someone asked if I know Louis and Teresa. Yes I did and I am so glad. You both contributed so much to our dance group and you are greatly missed. My sincere condolences at Louis' death.Much love,Ellen Sears

I started Scottish Country Dancing in 2005; from that time till his health failed I don't think I was ever at a dance or a class where Louis wasn't there. He was always an enthusiastic dancer and cheerful and welcoming to everyone, something especially appreciated by nervous new dancers! We missed you both when you moved to Florida, and I hate to think of never sharing a dance with Louis again. Teresa, you have my deepest sympathy for his loss.Ann Cavanaugh

Uncle Louie has been in my life since the day I was born. I have so many memories where do I start. From William Street to Candlewood Lake and my brother's wedding at your house just to name a few. Uncle Louie has always been there for me and now he will be in my heart always. You will be missed.

Louis was a wonderful Cousin and Uncle to relatives in Scotland. He was probably more Scottish than Cuban, 😊 He has left us with many great memories RIP. LOUIS
