My fondest memory is when I met you both, I called you Ken & Barbie, such a sweet couple. So very sorry for your loss, thoughts and prayers. Picture is of Joshua Ward & Diana when y'all took the boys on a day trip.

R.I.P. My sweet friend! Your energy reminded me of how much fun the races could be. The first time I met you, you introduced yourself, said you were Tom's wife, and then talked so fast until I asked you to slow down and repeat everything, but slower. You laughed so hard, you had tears in your eyes, but you did repeat everything! Lol. From Tom, to Bailey, the cats, to even the plants you got at the market at Citrus, you loved everything and everyone. Thank you for just being you!
