Naga was my mentor while working at Verizon. He was kind, and always helpful, to all that approached him. I pray that he attains the Lotus Feet of The Lord and pray that God gives his family the courage during this difficult time. In Grief, Raajesh Adivaragan

I worked with Naga for many years at Verizon. He was always a very kind and gentle soul. He was always willing to help people and did so with a genuine care for others that was plain to all. Our world has been a better place for his presence and I want to share my deepest condolences with his friends and family.
