My prayers are holding you close to my heart. I am comforted by the memories that I shared with Janet. I met her when I was 11 years old and fell in love with her kindness, her sense of humor, her open heart and how much she loved Dawn and her family. She was always there for me during my rough times. I wish you comfort and peace during this sad time. Love, Sharon

Janet. Where to start? She was such a loving mother and grandmother. that is the side I saw. She was very patient and kind to Dawn and myself as teenagers. I know my beautiful friend, Dawn, gave Janet the best life. Fly high with the angels, Janet. You are loved and will be missed. Love, Jaki
