Afterglow:

I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when life is done. I'd like to leave an echo whispering softly down the ways, Of happy times and laughing times and bright and sunny days. I'd like the tears of those who grieve, to dry before the sun; Of happy memories that I leave when life is done.

Carolyn Amicangelo posted:

There is another angel among us. Until we meet again. I am so sorry that your niece wouldn't let your friends be with you in your final days. I still remember when we moved to Florida you were the first to welcome us to the neighborhood with a pie. You were the kindest loving lady I ever met. LOVE YOU
