Bette Matousek

MAR 30, 1956 - MAR 25, 2024

An obituary is forthcoming. Please check back at a later date for further information regarding services. Afterglow: I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when life is done. I'd like to leave an echo whispering softly down the ways, Of happy times and laughing times and bright and sunny days. I'd like the tears of those who grieve, to dry before the sun; Of happy memories that I leave when life is done.

Julie Athalis lit a candle in honor of Bette.

Bette Matousek held a special place in my heart! I loved working with her so much that it was bittersweet when she retired...so happy for her to live her life but so mad, selfish really, that my sweet friend wouldn't be around for the daily chats. I was fortunate enough to spend some time with her and we laughed, cried and reminisced about silly things and things close to our hearts. She gave me her recipe card for her Pecan Tarts that I just love and so do many others at HCC. I promised her I would bake them so she WILL be with ALL of us at every bite. Then the news that she passed away, broke my heart even further. I will miss you always, Bette...spread your wings wide and fly free, and pain free with all the butterflies!!! Love you!!! Journey, Karen Teichgraeber and I are here for you and the family and we're so sorry for your loss!!! ❤️❤️❤️
