Riyansh Pahari

AUG 4, 2023 - MAY 1, 2024

In loving memory of Riyansh Raj Pahari, 08-04-2023 to 05-01-2024. Born to mother, Sony Maharjan and father, Ritush Pahari, Riyansh was born at 34 weeks at BayFront BabyPlace, St. Petersburg, FL.

The name Riyansh means first ray of sunshine and lord Vishnu's Ansh (Part). Riyansh is our first son and he was our sunshine. He gave us the opportunity to be mom and dad of the most precious child. He loved to look around. He wanted to know about everything that was happening around him. He was very curious while we talked. He would look at us while talking as if he understood everything. He was always very alert of what was happening around.

Riyansh loved to smile. Whenever he would see us, he would give us a big smile. He knew his mom and dad very well, as his big smile appeared as soon as he used to see us after he woke up from a big nap or saw us in the morning. Riyansh loved watching the movie, Dory. He loved the ocean, water, and fishes. Riyansh also loved looking at the mirror and would stare at himself in the mirror for a long time. Riyansh loved to put his fingers in his mouth. He was teething and we could see his bottom two teeth popping out.

Although we only had him for less than 9 months, he gave us memories that will last our lifetime and more. With his medical conditions, he fought courageously for a very long 9 months and we will always remember him for being very strong and brave.

Memories only last if you share them
