Thank you, Mom, for being the most wonderful mother that a son could ever have. You are truly the great love of my life and the greatest blessing that God has given me. You took exceptional care of me during my life and without you, I would never be the man that I am today. My father and I did our absolute best to take care of you and help you during your life and I am so glad that I was always there for you whenever you needed me. We had such a great unconditional love for each other that we were inseparable and we could never even imagine living a life without each other. I miss you immensely but I know that you are now with Jesus, our Lord and Savior, and that you are in a place that is far more wonderful than I could ever imagine. A place where there is no more pain and no more suffering. We know that the Bible says that: "For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life." John 3:16 You always loved to sing and worship the Lord so I have no doubt that God has a very beautiful and special place for you where you will continue singing and worshiping the Lord along with the multitude of Gods people in Heaven. I firmly believe that one day our family will be reunited and we will all be singing and worshiping the Lord together in Heaven. I will always thank God for you and I will always treasure the time that we shared. Thank you for your unwavering faith which has been a great example for me throughout the years. You will always be in my heart every day of my life and I will always remind others that you are the most wonderful and beautiful person that I have ever known. I love you forever.
