Alma always had a way of making everyone at the Dance Extreme Academy Studio feel loved . She would attend the Competition Dance Team Dress Rehearsals and she was beaming with love watching Brooke but also she had a kind word for every single dancer that walked by her. She would compliment your costume , she would say good turning , I really like your solo , or she would make a joke . She connected with everyone and always put a smile on everyone's face . When you would see her at the dance banquet , she was always saying to the girls , you have a pretty dress, she would share a joke , a compliment , or ask "were you in this number?" or do you tap ? She connected , she went out of her way to talk with people around her always . She was warm , funny , smiling , laughing and full of it always! She loved watching Brooke and her teammates soar . She was just a wonderful , special , giving , loving witty person . God Bless you Alma and thank you for all the love you gave everyone . Brooke and Darlene you are in our thoughts , prayers and hearts Love Julie & Lauren Townsend

Not many people get to have their great grandma in their life for as long as I did and boy was I lucky to have Nana! She filled every visit with laughter, every trip when I was little with adventure, constantly entertained me with stories of her life, and took care of people i love in amazing ways. Her presence will always be missed and I am forever grateful to have had her in my life. I'll miss her telling me "Watch yourself, Kaylee" every time I left ❤️My favorite memory I have of Nana was when we were on vacation in Orlando years and years ago and while at Margaritaville, we sang to her "Old lady, old lady, old lady, old lady" while she danced around in her walker!

My loving Mom, you have been my guiding force, given me so much strength and showed me how to be my own person in life. You taught me so much from the time I was little to being the woman I've become today in my life. I am so grateful, honored and proud to have had a mother like you. I'm so glad to say that you also gave me your crazy sense of humor. I will cherish and hold all the special times and memories we shared together. You will be forever in my heart and always on my mind. Till we meet again. Love you with all my heart. Debbie
