Words cannot express how wonderful Tom was. I am so sad, and that only pales beside what his family is feeling. Tom taught everyone what a well rounded, loved family is. His sense of humor was legendary. Loved and missed but never forgotten.

Your tight knit circle has sadly been broken. Although there is now that missing link, may decades of memories continue to bring smiles to your faces and warmth to your heart. Tom was several years older than me--an adult in my memories--but I fondly remember his visits back to North Dakota and the Christmas cards he sent to my parents. With sympathy and love to family & friends. Maryann (Chyle) Bender

On our yearly summer visits to North Dakota, I remember Tom as "one of the big kids". He was always so kind a patient with the younger cousins. His visit to Washington state with Judy to visit Auntie Mayme and me was a treat. What fun we had introducing both Tom and Judy to fresh Alaska Salmon. Auntie Mayme and I couldn't believe that Tom had only eaten canned Salmon. Tom was so proud of his family. He will be greatly missed by all. May his family be comforted with wonderful memories.
