Robert & Beverly Tang and Family: We had the utmost pleasure of meeting Albert in early 2022 when he spent a week with us on his new Life Journey to Tampa, Florida. He was an incredible person, very humble, kind and a passionate family man. Always willing to help, though he had his restraints, he never waiver his love for friends and family. I considered him my brother and we used to check up on each other all the time. We know he will be with us for evermore, looking down on us with heart full love and compassion. Albert we will always miss you 🍷🍷🍷🍷 ALWAYS!!!!

Albert is not just a "cousin" to me from my dear Aunty Popo, but also a "humble being" that always found a way to put a smile or create an "lol" moment that when you left being in his company you walk away with a "feel good"memory!.....Not many in this life's Journey has that "gift" that my dear cousin Albert had. Will indeed "cherish" those "heartfelt" times. May those times "we all" had the "privilege" to "experience" this "gift", do "not" keep it "locked" up, but instead let it become "infectious" in this "World" that is lacking "empathy"!!!!Albert did not "loose" when he breathe his last breath.... "To be absent from the "body" is to be "present with The Lord!!" My cousin did finish "his race" and "WON!!!!"

It was indeed a pleasure being family with Albert not blood related but by my sister's Joanne's marriage to Jeff. My memories with him was when a maxi load of us....men women and children went bar hopping on a Divali night here in Trinidad. I also remember us doing an impromptu drawing competition to see who can draw better and he told me to take win after a few sketches lol. The fruits of the Holy Spirit.... love joy peace patience kindness goodness faithfulness gentleness & self-control were seen in him.May you Rest in Eternal Peace Albert and may the Heavenly Angels welcome you... 🙏👉
