Deborah Durrett

JAN 26, 1973 - SEP 5, 2024

Deborah Durrett, 51, of New Port Richey, Florida, passed away peacefully at home on September 5, 2024, after a courageous battle with brain cancer. She was born and raised in St. Petersburg, Florida, on January 26, 1973, to Anthony and Nancy Herbert. She married her husband Stephen in 1993 and the couple relocated to Gainesville, Florida for Stephen to attend dental school. It was there that their first daughter, Danielle, was born. After Stephen finished school, they briefly returned to St. Petersburg, where their second daughter, Callista, was born. In 1999, the family moved to New Port Richey. Deborah worked as the office manager for her sister-in-law Shari's orthodontic practice for 15 years.

Deborah was a caring and devoted wife and mother, supporting her daughters in their schooling and sports. She was known for her genuine and caring friendships. She enjoyed going to the beach, boating, and kayaking with her family, and working out at Orange Theory Fitness. She loved taking vacations on cruises with Stephen and their girls and enjoying good food with friends and family.

Deborah is survived by her husband of 31 years, Stephen, and their daughters, Danielle and Callista. She was preceded in death by her mother, Nancy Williams.

In lieu of flowers, the family requests that donations be made in Deborah's memory to Lyrics for Life.

Audrey Testa posted:

I was saddened yesterday to find out about the loss of Deborah. She was an inspiration for all, always with a big smile and bubbly personality. I had the pleasure, on many occasions, to volunteer with Debbie at Bishop Larkin, the school Danielle and Callista attended along with my son Stephen. Debbie was a Bunko group member and one of the best hosts who took the game very seriously (as most of us did). Please accept my deepest condolences. Our thoughts and prayers are with you and your family. God Bless you and your family Debbie. Audrey, John and Stephen Testa Per family wishes, a donation of 50.00 was made to Lyrics for Life in Deborah's name.

Not all things are meant to be, but the Durrett's moving next door was meant to be. They moved next door in August 1999. My very first memory is Danielle running in the house like she had known us and Callista crawling in behind her. The girls were inseparable. That started a forever friendship with our families. We've watched well over 100 Gator games, shared strep throat, stitches, broken bones, daycare, gymnastics, cheer competitions, weightlifting, shared a boat, camping trips, more proms and homecomings than I can count, etc. Debi and both had the luxury of time, we never missed a Black Friday until the last 2 years, 100's of movies, 100's lunches, poker games, holidays, etc. Debi I'm gonna miss you more than I can even describe, I love you and will see you again. I promise I will be here for Steve and the girls. Love, Laura
