Patty my wife just under 30 years is now resting comfortably in the arms of our Lord, no longer in pain after fighting colorectal cancer for almost 11 years. I have a lifetime of wonderful memories from doing things that she loved, countless weekends camping and canoeing with the kids, traveling and cruising through Europe, partying in New Orleans many many times as well as biannual trips to Jamaica. Patty was a caring person, she worked as a CNA for decades she cared for her patients as if they were family and was loved and admired by her co-workers. Patty I loved you and will miss you immensely.

Patty, its over 2 months now that I lost you and it doesn't get any easier. I am absolutely lost without you, I talk to you all the time and realize your not here but I pray you can here me, I sleep on my side thinking I'll wake up and its just a bad dream. I am so tired of crying all the time...Sweetheart I don't know how to ever enjoy my life again without you here with me. I love and miss you immensely.

Patty was at first hard to get to know but once you knew her you realized what a caring person she was. She certainly made my brother very happy. She took wonderful care of my Father in his last days and for that I will always remember her and be grateful. Patty You have struggled for many years and are now at peace and pain free and with members of your family.
