# Malini Ashok Shenoy

DEC 10, 1955 - APR 28, 2025

**I**n loving memory of Malini Shenoy  
December 10, 1955 - April 28th, 2025  
Beloved wife, mother, and grandmother.

In this time of sorrow, we would like to express our heartfelt gratitude for your support, kind words, and love. They are needed as we deal with this profound loss in our family.

Today we celebrate the life of our mother Malini Shenoy nee Baliga. Malini passed away peacefully in her sleep on April 28th, 2025 in Seminole, Florida. She was born on December 10th, 1955 in Udupi, Karnataka, India to Vishwanath and Shantha (Sunanda) Baliga. She received a Bachelor of Arts from Mangalore.

Malini married Ashok Narayan Shenoy on May 19th, 1980. They had two girls Sangeeta and Priya. Together they moved from India to England in 1986 and then to America in 1993. In America, Malini and family moved from Pennsylvania, to Ohio, to Florida. She made good friends wherever she went and they will feel her loss deeply.

Malini was thoughtful, kind, and compassionate. She loved to garden and other than her granddaughter is the only one with a green thumb in the family. She loved to cook and learn about new Indian recipes that she could make for her family. She had a creative soul which led to her love for painting, sewing and quilting many blankets for her grandkids. In the Indian community in Ohio, Malini was known for her social, caring, and outgoing personality. Her friends knew they could always count on her and her full enthusiasm for life. She deeply loved her family and her children. They are the people they are today because of her endless love and sacrifice.

She is survived by her loving husband, Ashok Narayan Shenoy, her two daughters, Sangeeta and Priya, and their spouses Rahul Mehta and James Remington, and her two grandchildren Reena

Dear Ashok Anna Heartfelt condolences to you 🙏😞 It's very sad to see dear Malini leaving. Malini was my junior in school. Very talkative and lively. After your marriage she became my Vanni. Before you left for foreign shores, if I remember you were staying next to Vasanti mhave's house. I remember all the children playing together, Sulata's daughters, my sons and your daughters. Malini with her ever smiling face and loving demeanour was loved by all. We will cherish her memory 🙏 Please convey my condolences to dear Sangeeta and Priya, alongwith their families.

Malini mai was such a special and generous person. I remember the wonderful days of our childhood with her love and affection. I feel blessed to have her as my Aunt. She and Ashok mam took unparalleled care of me during my visits to the USA. I remember how they planned my entire trip during my first visit there so I could spend time with all of them. I remember visiting their home and then meeting Priya and Sangeeta. She also took so much care to ensure my stay during my post-doc fellowship was as comfortable as possible, thinking through and sending all the things I would need during my stay. She planned it so carefully that I got the box with woolens, a phone, and everything I needed even before I landed. She will always be in our hearts and minds for her care and affection. I am sure her spirit will live on in the values and affection she has given her children and grandchildren, and I'm sure she will be dearly missed by all whose lives she touched. Lots of love, Megha

My dear Ashok Bhavaji, Sangeeta and Priya, Malini Akka was always full of life, humour and was just so much fun to be with growing up. I remember my trips to Mangalore fondly where I would spend time with her and the family in Loretta Villa. I was the baby cousin sister. I still have "Malini Akka's chicken curry recipe" which is one of the best in my recipe book. God Bless her and all of you. Love, Lathika and Siddharth Pai (Bangalore, India)

Maliniakka was known for her infectious laugh, kind heart and her love for her family. I will always cherish the memories of my time with her in London - Croydon when I got married into the Baliga family . I never had a sister and she quickly became one to me - maybe sisters not by birth but surely enough by the grace of Lord. I would wait for those phone calls after her kids had gone to bed ( I was newly wed at the time) and those calls would go on for hours .. she would patiently answer all my questions , concerns , often giving me useful advise and she became my confident.. ii just cannot thank the Lord for bringing her into my life and as we moved away from each other in distance our contact became less frequent but I knew I could always count on her when I needed her help . Maliniakka will forever live in my heart . I love you Maliniakka
