## **Sharon Volf**

NOV 23, 1943 - JUL 13, 2025

**T**he Lord called Sharon Volf, 81, home on Sunday, July 13, 2025, after a brief illness. Sharon was born in Galveston, TX in 1943, but soon returned to her home in Destin, FL, where she lived for over 30 years before moving to Tampa in 1983.

On November 17, 1973, Sharon married the love of her life Christian “Chris” Volf. The two shared over 51 years of marriage filled with love, laughter, and respect. Sharon's life was built on the foundation of her faith in Jesus Christ. She was a dedicated Presbyterian for over 75 years. Cornerstone Presbyterian Church was her church home in Tampa for the last 41 years. She thirsted to learn about Christ's plan, strived to walk His path and thrived in sharing her beliefs with everyone she encountered. As Chris will attest, she was undeniably a Proverbs 31 wife.

Sharon is preceded in death by her parents, Capt. Roscoe & Kathleen Mikel, and her brother Tommy Mikel. She is survived by her loving husband, Chris, her nephew, Jason Mikel, his wife Shanah, and their daughter Haley. She is also survived by her niece, Aimee Mikel.

Sharon's love and light will be deeply missed; however, we find comfort knowing we will see her again!

Sharon was a great facilitator of God's word. Many women received the Gospel through her. I especially enjoyed her devotionals during our ladies Christmas dinners. She would always say "I'm not a teacher, I just share what I've learned." And isn't that what we have all been commanded to do? She made a difference in many lives. I will miss her.

Sharon and I took the wonderful Christmas Market cruise down the Danube through Germany in December, 2019. It was such fun to see so many Christmas gifts and products. Although it was cold, we had a great time.

My dearest friend, I will miss you so. We meet on a trip to northern Italy, in 2003. You were away remembered the year. While on that trip we just hit it off. And have been wonderful friends since then. Now with our visits to Florida in the winter each year, we would get together. Since 2012. Was always great seeing you both. You never changed always so pretty, cheerful, caring, fun. Talked about each other's trips. Saw your beautiful pictures. We both loved to travel. And always remembering that first trip we met on. Loved having our phone calls, e-mails, cards. You were a light in my life dear one. I will miss you so much. Our love was so caring for one another. You are now in heaven dear friend and with God. All my love my dear friend, Barbara
