Chantelle Ann Johnson

AUG 29, 1969 - AUG 11, 2025

Chantelle A. Johnson, beloved daughter, sister, aunt, and friend, passed away peacefully on August 11, 2025.

Born a twin on August 29, 1969, Chantelle faced health challenges from the beginning, but her fighting spirit and determination defined her life. She graduated from West DePere High School in Wisconsin and earned her college degree from the University of South Florida in Tampa.

Chantelle was both strong and strong-willed, accomplishing many of the goals she set for herself with grace and perseverance. Her passions included traveling, dolphins, Doctor Who, and cheering on her beloved Green Bay Packers. She had a deep love for animals and cherished each of her pets, especially Conner and Noelle.

Chantelle was an adored daughter, sister, cousin, and aunt. In her final days, she was surrounded by the love of many family members and friends who meant the world to her. She is survived by her mother, Lynn Johnson; her twin sister, Missie (Lynn) Ziemer; her younger sister, Chelsea (Elliott) Ortiz; her nephews Mason, Charlie, and Tommy; her niece Emily; and many cousins who enriched her life.

In lieu of flowers, the family kindly requests that donations be made to Pinellas County Toys for Tots and Meals on Wheels, causes close to Chantelle's heart.

Met Chantelle in Florida through the Tampa Bay Packer Backers club. She attended our meetups and helped with posts to our social media. Chantelle sure loved her Green Bay Packers! She's now at the big Packer tailgate in heaven. 🙏

Chantelle and I shared many lunches and dinners. We talked, we laughed and we complained. I miss you already Chantelle. We were friends, not just acquaintances. My memories of times we shared will stay with me forever. Love you, Carol

Chantelle you were an amazing coworker and friend to me. Ever since I joined the army you've always tried to hang out with me when I came to town, thought of me when I went to basic and mailed me encouraging letters that I still have to this day. You go the extra mile for the people you care about. You've been amazing to the community of Wesley Chapel and it was a honor to to know you and call you my friend. You are so missed and I wish you were still here.

So many of my formative years were made better because of our friendship. I remember flying to visit you in Wisconsin and taking you to a Green Bay Packers game. You were freezing and I had a kidney stone during the game, but we had so much fun. I remember long days of football and crashing at your house. I remember you coming to meet my daughter when she was born. I admired your wittiness and strength. You made me laugh. You made the world a better place. You were a fantastic, loyal and supportive friend. You are always here in my heart.

Lynn, Missie, and Chelsea, I am so sorry for the loss of Chantelle, she was one of my best friends throughout my life and I will miss her dearly. There are no words that can make this any easier for the family, but just know that I have you in my thoughts through this. I have such a heavy heart with this that I just don't know what or how to say anything. I wish you the strength to get through this, and if you do need anything let me know if I can help.
