Hannah Faye Denson

OCT 17, 2020 - DEC 27, 2025

Hannah Faye Denson, of Trinity, Florida, passed away on December 27, 2025. Though her time here was far too brief, Hannah's impact is immeasurable. Her life reminds us that worth is not measured by words spoken or milestones reached, but by the love given and received.

Hannah was five years old, an age where wonder still comes before words, and love is felt more deeply than it can ever be spoken. She was autistic and mostly nonverbal, yet she communicated constantly; through her eyes, her laughter, her movement, and the quiet ways she showed trust and affection. Hannah felt safety deeply, joy intensely, and love without hesitation. She taught those around her that communication does not always need words, and that understanding often lives in patience, presence, and love.

Hannah experienced the world in her own beautiful way. She was drawn to water, light, familiar routines, and the things that brought her comfort, especially Hello Kitty, whose sweetness and simplicity reflected Hannah's gentle spirit. Hannah found peace in repetition, joy in softness, and magic in the small details others might overlook. She reminded everyone who loved her to slow down, to meet the world more gently, and to love without conditions.

Hannah was profoundly loved. She is survived by her mother, Leandra Mak, and her father, Caleb Denson. She is also survived by her siblings: Matthew Mak, Emma Mak, Charlotte Mak, Kylie Denson, and Mason Denson. Hannah is lovingly remembered by her grandparents: Lori Hoyt, Donna Brand, and David Zimmerman.

A celebration of Hannah's life will be held to honor her in a way that reflects who she was; gentle, joyful, and full of love. Family and friends are invited to wear soft colors or Hello Kitty attire in her honor, and to bring kindness, patience, and love as we celebrate the light Hannah brought into the world.

I know your mom, Donna from the time I worked as the administrative assistant to Pastor Hagan and your dad. I'm so very sorry about your loss. I can't imagine what you are going through. But, you can be assured that I've been praying for you and your family since I heard about your loss of your very special little girl. You can be sure she is safe in the arms of Jesus. I trust one day when it's your time to leave this world you will meet her there. God bless you with the comfort only He can truly give.
