## **Jon McBride**

NOV 18, 1953 - FEB 3, 2026

**J**on Dale McBride, 72, of Trinity, Florida, passed away on February 3, 2026. He was born on November 18, 1953, in Ponca City, Oklahoma, to Doyle and Shirley McBride, the eldest of three brothers. After graduation, Jon began a career in the oil and gas industry as a mud engineer, where he orchestrated the merger between Mustang Mud and DuBar Drilling Fluids. Jon was an avid reader. He was a sun worshipper and loved nothing more than being outside, enjoying the beach and the ocean. A truly kind soul, he was extremely generous towards friends and family and was always the first person to reach for the check when sharing a meal.

Jon is survived by his brothers James (Connie) McBride and Thomas (Susan) McBride and numerous nieces and nephews. He was preceded in death by his parents Doyle and Shirley McBride.

**Jon McBride**

**Lisa Carpenter** lit a candle in honor of Jon.

For those of you who were fortunate enough to have really gotten to know Jon- you know that this man had a huge heart! Jon was the kind of man who didn't just say he would help, he did. Quietly. Without the need for validation. If someone needed something, he was there. If someone needed support, he showed up. Helping others wasn't something he did for recognition. It was simply who he was. Generous with his time. Generous with his assets. Generous with his heart. Generous with his hands...When he struggled, he kept it close to his chest. If anything was weighing on him, he tried to carry it quietly, believing it was his job to protect the people he loved from worry. This is who he was. Selfless. Caring. Giving. Kind. Thank you Jon for allowing us to be part of your journey. You will be deeply missed and forever remembered.
