## **Aida Aviles**

JUN 7, 1955 - MAR 31, 2026

**A**n obituary is forthcoming. Please check back at a later date.

Afterglow: I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when life is done. I'd like to leave an echo whispering softly down the ways, Of happy times and laughing times and bright and sunny days.

I'd like the tears of those who grieve, to dry before the sun; Of happy memories that I leave when life is done.

My loving mom, oh how I'm going to miss you so much. You left me here, but I know that you're not hurting or in pain anymore and that you're in heaven with the rest of our family and your best friend. I know that you entered those golden gates that one day we will be walking through to see you again. I will treasure all the great memories I have of you. There's too many. My queen, my best friend, my amazing mom I will miss you but I'm happy that there's no more sorrow and no more pain. I ♥ Mom!!!!!!'ll never forget you. You were an amazing mom, grandmother, sister, Tia, cousin, Godmother and friend.

I have many fond memories of Madrina from my childhood, but the one that warms my heart the most takes me back to when she lived near Grand Street in Chicago. My dad would take us to visit, and she would always prepare a simple meal that I loved ...mashed potatoes, ground beef, and corn. It wasn't just the food that made those moments special, but the love she put into it. No matter how much time had passed or how far apart we were, whenever I saw her, she greeted me with warmth and genuine happiness. She had a way of making me feel loved, and that is something I will always carry with me. Rest Peacefully 🌻

I have so many fond memories, one of my favorite memories is when one Christmas she gifted us (me and my cousins) a book bag filled with school supplies, I don't remember our age at the time but we were in grammar school. Things like this just shows how loving and thoughtful she was. I have always appreciated the love and kindness she showed me always ♥
