

Barbara Wagner

September 1, 1939 - February 26, 2019

Barbara Wagner (79) of New Port Richey, FL went home, Tuesday February 26, 2019. She is survived by her daughters, Kathi & Jean, and predeceased by her son, David and husband, Robert.

Barb was born & raised in Minneapolis, MN, and moved to FL in 1978 to open the family Printing businesses. She was a loving mother & grandmother of 6 and enjoyed the life she shared with them in sunny FL. She took delight living on the beautiful water, and seeing a different painted sunset every evening. She loved to travel and spent many years traveling the United States with her husband, for both business and pleasure. She will be dearly missed, but comforted in knowing she is in the loving presence of Jesus and her husband & son.

In lieu of flowers, please send donations to: The Suncoast Hospice Care Center of North Pinellas, 164 West Lake Rd., Palm Harbor, FL 34684 - who she appreciated so very much for such loving care of her husband in his last days.

Comments

“ Barbara was so caring and Im so thankful that she was a part of my life because she gave me a very best friend, Jean her daughter! I love her dearly for that! Not only did she give me my very best friend but when I was down many yrs ago from a car accident she came to my house to help me and brought gifts, one in particular that I will cherish is the snowman candy jar. I always think of her when I put it out for Christmas. Barbara you will be truly missed by your daughters but I know you are with David and Bob.
