“Awesome man of God. I truly believe that I would be dead or in prison if not for his patience and example of what a true man of God should be. I don't think I am anything special but if I am anything in the Lord it's because of Bro. Younkin. I loved him as much as I loved my real dad and father in law. He was my spiritual father, friend and advisor. My name is written in the Lamb's book of life and my eternity secure because of his efforts. He may have been the most intelligent and talented man I have ever known. It's hard to accept that He will no longer be just a phone call away when I need some advice. I have so many good, and funny stories and memories I could tell another time. I thank God for having placed him in our lives.

“We love Bro. Younkin. He was an intelligent, hard working man who loved and followed the Lord with all his heart. His sacrifice and dedication, along with that of his family, resulted in the founding of Abundant Life Christian Center in Mantua, NJ, and placed our family on the path to salvation. He was our Spiritual Dad.

We owe him much, and he has continued to remain in our thoughts and hearts.

While we celebrate his life and reward, now resting in the Savior's arms, we send our deepest sympathy to Janice, Brenda, Scott and family.
