

## Kendhal M Johnson

March 29, 1984 - May 5, 2021

On May 5, 2021, Kendhal M. Johnson, 37 of Holiday, Florida; went quietly to the Lord after a hard fought battle with a blood disorder and liver disease. Born in Pampa, Texas she moved to Florida area from Henryville, IN. Early in life, Kendhal chose a career as a CNA. She cherished her work with the elderly from whom she was adored and loved by those she cared for. Kendhal then worked as a Nanny caring for the youngest of souls; she had found her true calling – Children. Kendhal began a Cleaning business in the Tarpon Springs - Clearwater area. Whether it was caring for the sick; raising the young or cleaning house or businesses; Kendhal met life with integrity, respect and abundance of Faith for all.

Kendhal despite her health was an Athlete to be reckoned with. She loved all sports and spent much time canoeing and kayaking whenever she could on the rivers in the area. She was very creative and loved crafting. Her photography, which mostly included family members was heartfelt and insightful. Kendhal had a heart for God; shown in her caring for people; her rescuing of animals; but moreover, she loved her family. She dedicated every aspect of her life making memories with those she loved; living life to the fullest through the simplest of pleasures; chatting with friends, being with family or spending as much time as possible with her nieces and nephews. Kendhal had an uncanny ability to reach people in a deep and positive way. She is survived by her fiancé, Thaddeus Woodworth and daughter Arianna; her grandmother Betty Kordus of Oneida, NY; her parents Kevin and Kim Johnson of Henryville, IN; her sister Kamrin Taylor and husband Colin of Spring Hill, FL; her Aunts and Uncles, cousins and last but not the least, her nieces, and nephews. Kendhal's ashes will be interred at Trinity Memorial Gardens in Trinity, Florida.
