“ I (along with my husband who has since passed away) have known Kyle since he was manager at Antonio's on 56th St in Temple Terrace. We visited so often we had our favorite booth, favorite servers, and favorite dish. Kyle was always a gentlemen and talked often about his family and his trials & tribulations. I was sad to hear of his accident and now his death. Please know that he was loved by many and touched our hearts. Jill Nasso, Land O Lakes, Florida

“ Hugs to each one.

Speak of me as you have always done.  
Remember the good times, laughter, and fun.

Share the happy memories we've made.  
Do not let them wither or fade.

I'll be with you in the summer's sun  
And when the winter's chill has come.

I'll be the voice that whispers in the breeze.  
I'm peaceful now, put your mind at ease.

I've rested my eyes and gone to sleep,  
The memories we've shared are yours to keep.

Sometimes our final days may be a test,  
I want you to remember me when I was at my best.

Although things may not be the same,  
Don't be afraid to use my name.

Let your sorrow last for just a while.  
Comfort each other and then smile.

I've lived a life filled with joy and fun, baseball. amazing adventures and finding  
unconditional love.

Live on now, make me proud of what you'll become. Change your world.

I am at centerfield having the game of my life.

“ I met Kyle in 2015 and he was so nice. His smile would light the office when he showed up. I'm so sad to hear that Big Guy has earned his wings. Big Momma as he would refer to you (Lisa) round the office my prayers are with you and your family at this sad time. Fly high Big Guy you will truly be missed

“ Lisa -

I am so very sorry for your loss. Kyle was the type of person who was able to leave a lasting impression on all he met. While I didn't get to spend as much time with Kyle as I would have liked, the time we shared was great fun and that made working through so many issues bearable. I am proud to call Kyle my friend.

Take care of yourself and remember the good times.

“ Lisa and family, I wish I could sum up in words how terribly sorry and sad I am about Kyle's passing. Superman had nothing on Kyle and like a true warrior he fought with all he had. I can't imagine how he would have come through this without Lisa by his side, to care for him, to navigate our broken health care system and to keep us all posted on his progress. His journey on Earth may be over but his legacy lives on in our hearts. Godspeed my friend, I'll catch you on the flipside one day.
